Dear Applicant:

Financial assistance scholarships are made available to individuals and families who are unable to pay the full tuition cost. Through the generosity of New School of Music grants, members, and others in the community we are able to provide limited financial assistance to individuals who need it.

Generally, NSM provides tuition assistance only, so, if your application is approved, you will be asked to contribute an amount determined by our eligibility rating system. Financial assistance is limited and will be allocated as funds permit.

Any information you provide within a scholarship application is confidential. Your scholarship application will be retained securely for administrative purposes only, & will be processed directly by the Program Director.

A financial assistance scholarship is not continuous; therefore, you will be required to complete a new application and submit the requested paperwork prior to the expiration date of your program.
